Maritime Law and Management Faculty Day

Celebration of the Maritime Law and Management Faculty Day took place in Odessa National Maritime Academy on 8 October, 2015.

This department was founded in 1995, and the first admission in the speciality "Management of Organization" took place in 2004. At present, the Faculty carries out training on the following qualifications such as: "Maritime Law" and "Management of Organizations of Maritime and River Transport".

The quality of training, compliance with domestic and European labor market, academic mobility, compatibility of qualifications at the academic and post academic stages of training, increase of competitiveness of the education system are the determining criteria for the education at the Maritime Law and Management Faculty.

Over the years, the faculty has established the partnership relations with many leading educational institutions in Poland, Greece, Romania, Bulgaria, Germany, Italy, Turkey and Georgia. This close cooperation has resulted in dozens of joint manuals, scientific and practical conferences, as well as the teachers and cadets' participation in the project TEMPUS-JPHES "Network of competence centers for the development of cruise tourism in the Black Sea region" Cruise T.

The cadets receive practical training and internship in judicial and law enforcement bodies of Ukraine, customs bodies, legal departments of enterprises and organizations of maritime complex, sea and river ports, freight brokerage, freight forwarding and logistics companies, in foreign representative offices of shipping companies, state foreign trade organizations, banks, accounting firms, insurance crewing and travel companies, as well as in other organizations of water transport and related industries of all forms of ownership during the training.

Senior students consult the population on legal issues under the guidance of teachers in Law Clinic which works at the Faculty.

The cadets of the Maritime Law and Management Faculty have been very active during the year. The following competitions as "Brain Ring", "Miss of Faculty," "Miss of Academy" and quest competitions were held. Moreover, Handmade fair was organized and the proceeds of this event went to charity for a local orphanage and disabled children.
