International Exhibition on Transport and Logistics "TransUkraine-2015"

Odessa National Maritime Academy took part in the International Exhibition on Transport and Logistics "TransUkraine-2015" held in Odessa at the exhibition complex of Odessa Sea Port within the framework of the International Black Sea Transport Forum from 20 to 22 October, 2015. M. V. Miyusov, Prof., Rector of ONMA delivered welcoming address on this occasion.

Transportation systems, domestic and international transportation, freight forwarding and logistics, ports and terminals, technological equipment and means of mechanization of loading and unloading ports, etc. were discussed at the exhibition.

The 18th International conference on transport and logistics, round tables and seminars took place in the framework of the forum.

Coordinators of the exhibition and the conference are the Ministry of Infrastructure of Ukraine and the Black and Azov seas ports Association (BASPA).

Transport forum united all the transport sectors in search of innovative approaches to improve regional and international networks of transport infrastructure, contributing to the elimination of physical and administrative barriers and transport sector development.

Directors of the transport industry and logistics, heads of warehouse and transport logistics, directors and business owners, service providers were invited to participate in the exhibition.
