### **15<sup>th</sup> anniversary of The Nautical Institute of Ukraine**

Nautical Institute of Ukraine, the 39<sup>th</sup> branch of the Nautical Institute celebrated its 15<sup>th</sup> anniversary by holding the International Scientific and Practical Conference “Safe Navigation and the Issues of Maritime Law in view of New Regulations of IMO and ILO Conventions”. This bright event organized by the Nautical Institute of Ukraine, (the Chairman A.A. Nitsevych, MNI, Honorary and Permanent Secretary V.G. Torskiy, FNI) and National University “Odessa Maritime Academy” (Rector, professor M.V. Miyusov), attracted both seamen and all the marine transport industry experts. The Conference was held on October, 16, in the conference hall of the National University “Odessa Maritime Academy” – headquarters of the Nautical Institute of Ukraine.

Richard Coates, FNI past President of the Nautical Institute congratulated the Nautical Institute of Ukraine with anniversary and presented two reports – “Place and Role of the Nautical Institute of Ukraine in Performing Tasks of the Nautical Institute” and “Ice Navigation training in the light of new IMO Polar Code”. Participants of the Conference listened to 17 reports.

Due to numerous congratulations and videos devoted to anniversary of the Nautical Institute of Ukraine, a festive atmosphere was created while the Conference became a bright event both in Odessa and in the whole Ukraine. National University “Odessa Maritime Academy” sincerely congratulates the Nautical Institute of Ukraine with the 15<sup>th</sup> anniversary and invites all the marine transport industry professionals to join the Nautical Institute of Ukraine.
