## Welcome Day

Odesa National Maritime Academy (ONMA) welcomed school leavers and anybody who wishes to familiarize with opportunities for higher education at the Academy 28 October, 2015. Workers of Pre-University Training Centre and Advertisement and Information Department greeted the guests.

The guests had the opportunity to familiarize with the history of Odessa National Maritime Academy after receiving news material. Having visited a museum, school leavers and their parents were invited to meet with the Directorship of the Academy. M.V.Miyusov, the Rector of ONMA, Deans of the Faculties, the representatives of the Admission Office and Pre-University Training Centre answered the academy entrants' questions.

There was a group of students of part-time training courses among the participants of the Welcome Day. Moreover, the participants were informed about the features of the final certification of students' knowledge of training courses. The excursion program was held during which the visitors got acquainted with the academic buildings, training simulators which are located at the Faculties of the Academy as well. Entrants and their parents were given written materials about educational institution.
