International Specialized Exhibition "Education and Career - Students' Day 2015"

Odessa National Maritime Academy took part in the International Specialized Exhibition "Education and Career - Students' Day 2015" on 13-15, November 2015. The exhibition "Education and Career" is held every year in order to form a single educational space in Ukraine, to involve public interest into education, and achievements promotion of our state in the educational sphere.

All those who wish, including future applicants and their parents had the opportunity to obtain all necessary information about the features of admission to higher educational institutions, research programs used by the universities and colleges, opportunities and prospects after graduation.

Organizers of the exhibition are the following: Society "Znannya" (Knowledge) of Ukraine with the support of the Ministry of Education and Science of Ukraine and National Academy of Pedagogical Sciences of Ukraine. This year, more than 160 higher educational institutions of Ukraine and international organizations, as well as higher educational establishments of the French Republic, the Republic of Poland, the Czech Republic, the State of Israel and others presented their educational programs for students and pupils.

The opening ceremony was held with the participation of Gevko Andrey Evgenievich, Deputy Minister of Education and Science of Ukraine, Kremen Vasily Grigorievich, President of National Academy of Pedagogical Sciences of Ukraine, organizers of the exhibition, representatives of the Czech Republic, Poland, Israel and France in Ukraine, as well as teachers, students and mass media representatives. After congratulating the guests of honor, the solemn rewarding of the rating competition of the International Exhibition "Education and Career - Students' Day 2015" took place. ONMA received Grand Prize Award in nomination "Development of the Facilities".

Everyone had the opportunity to receive individual consultations, attend thematic seminars and presentations conducted by the representatives of educational corporations, colleges, training programs and universities during the exhibition .
