Welcome Day

National University «Odessa Maritime Academy» welcomed school leavers and anybody who wishes to familiarize with the opportunities for higher education at the Academy on January 13, 2016. Workers of Pre-University Training Centre and Advertisement and Information Department greeted the guests. Having received news material, the guests had the opportunity to familiarize with the history of NU «OMA», and having visited a museum, they were invited to meet with the Directorship of the Academy. M.V.Miyusov, the Rector of NU «OMA» and the representatives of the Admission Office, M.M. Afanasiev, the representative from Odessa Regional Center for Educational Quality Assessment and Pre-University Training Centre answered the entrants' questions. Entrants and their parents were given written materials about educational institution. We hope that this meeting was not the last and we will meet today's academy entrants among the first-year cadets of National University «Odessa Maritime Academy».
