Workshop Presentation «The Long-term Impact of Piracy on Seafarers and their Families»

The workshop presentation "The Long-term Impact of Piracy on Seafarers and their Families", dedicated to the World Maritime Day was held in National University "Odessa Maritime Academy" on September 29, 2016. Alexander Dimitrievich, Regional Director in Ukraine and the countries of Eastern Europe of the International programme "The Humanitarian Response to Maritime Piracy" with the theme presentation "Crisis-at-Sea Response Programme"; Conor Seyle, Director of «Ocean Beyond the Piracy» research project, developed by the organization «One Earth Future Foundation» with the theme presentation "The Long-term Impact of Piracy on Seafarers and their Families"; the representatives of NU "OMA" as well as the workshop participants in the name of cadets and tutors of the University attended the meeting.

The objective of the meeting was to help future seafarers to become more prepared in terms of psychosocial communication, to behave correctly in crisis and conflict situations as is also to give the general knowledge and skills in teamwork.
