International Workshop for the Higher Education Reform Experts on the Qualifications Framework

International Workshop for the Higher Education Reform Experts (HERE) dedicated to the development and implementation of qualifications frameworks in the European Higher Education Area (Warsaw, Poland) took place on the basis of the Warsaw University of Technology from 19 to 20 September. Z.V. Talanova, Analytical Manager of the National Erasmus+ Office in Ukraine, Y. M. Rashkevych, Doctor of Engineering Science, Professor, Deputy Rector of National University "Lviv Polytechnic", V. N. Zakharchenko, Doctor of Engineering Science, Professor, Vice Rector on Scientific and Pedagogical Work of National University "Odessa Maritime Academy", national experts on Higher Education Reform represented Ukraine at that event.

During the workshop, the delegations of the Bologna Process countries exchanged experiences on modernization of higher educational systems, discussed the developments on the implementation of the national qualifications frameworks as well as the recognition of qualifications in the European Higher Education Area.
