Welcome Day

National University «Odessa Maritime Academy» welcomed school leavers and anybody who wishes to familiarize with the opportunities for higher education in the University on October 26, 2016. Workers of Pre-University Training Centre and Advertisement and Information Department greeted the guests. Having received news material, the visitors were invited to meet with the Directorship of the University. A.N. Shemyakin, First Vice-Rector of NU «OMA» and the representatives of the Faculties, Admission Office, and Pre-University Training Centre answered the entrants' questions about enrollment requirements and educational process within the walls of Academy. We hope that this meeting was fruitful and we will meet today's school leavers among the first-year cadets of National University «Odessa Maritime Academy».
